

The new exciting multigame Diamond King includes 50 games - all the essential CT Gaming best-sellers plus a fine selection of new titles. The game pack offers a certain degree of choice for every slot position with a basic volume of classic player favorites and entirely new titles on every machine.

Ten of the games in Diamond King are linked to a progressive jackpot that has an innovative concept. The mathematical depth of the game targets repeat play with multiple bonuses won at a time. The 3-level jackpot has strong Jackpot theme, visuals and sound. The mechanics has a deep and engaging element to it which makes the experience more thrilling and memorable when a single bonus spin could award multiple progressives and bonus values.
