Could Casino Technology products and Viva! Casinos be the new formula to success?

Recently Casino Technology entered in successful cooperation with its new client Viva! Group. Based in Turkey, Viva! Group is one of the major Balkan operators with luxurious casinos in Bulgaria, Romania, Northern Cyprus, Russia and Kazakhstan.

They chose some of the latest releases from the GEMINI series to enrich the large slot selection in two of their top sites: Viva! Casino - Sofia, located in Sheraton Sofia Hotel Balkan and Viva! Bucharest Casino, located in the biggest Shopping Mall in Bucharest. Soon Casino Technology will also be installing more of their high quality products in Viva! Casino located Northern Cyprus.

GEMINI series is a popular collection of various games, which the Bulgarian manufacturer Casino Technology has been releasing with increased success during the last year. The video slots are implemented in luxurious hi end GEMINI cabinets, and can be linked to QUATRO CASH MANIA Jackpot system, all products originally developed by Casino Technology. The games selection for Viva! Casino includes the latest generation video slots: Kung Fu Master, Coffee Magic, Wild Tiger, Milady along with the classic multi-game best seller Mega Jack and the latest multi-game Multi Gemini 1.

'We believe that the entertaining appeal and the innovative concept of these products will perfectly suit the style and friendly atmosphere of our casinos, where entertainment and fun merge with gambling', said Özcan Erülgen Managing Director of Viva! Group. 'The friendly, professional and flexible approach of the Casino Technology Sales team had a big influence on us when we chose machines for our casinos. We are planning to double the number of GEMINI machines in our sites within next year.' added Mr. Erülgen.
