Casino Technology presents a wide range of new products at Peru Gaming Show

After showing at FADJA, Bogotá in April, the Bulgarian slot manufacturer is now ready to launch over 10 new releases at the next important event for Latin America – Peru Gaming Show in August. Since last year the interest in Casino Technology products has been significantly increased in countries like Argentina, Colombia, Peru, Venezuela, Mexico and Uruguay. Consequently the company has adapted a significant part of its videoslot library in the Spanish language, which has grown the number of games available for the Latin American market, to a total of 30.

The latest videoslot releases to be shown at the Peru Gaming Show are: ELEPHANTS PARTY, TENNIS CLUB, CASH PARTY, NUBIAN PRINCESS, LADY FORTUNE, KUNG FU ENERGY, EMPEROR'S ADVENTURES, MYSTICAL JEWELS as well as MULTI GEMINI multi-game series. The last is currently offered in 6 different versions, providing unbeatable game mix of highly profitable, best performing video slots. All these games are offered completed with the sophisticated dual-monitor slot machine GEMINI. The last has been recently certified by the laboratory in Peru (Lab Cert PUCP), which makes the product fully available for the countries in Latin America.

GEMINI series of games offers operators a full solution for their gaming sites, featuring variety of concepts, more attraction and comfort for the players, improved video and sound performance, along with essential technical features like: multi-denomination, online and cashless system support, and a great variety of jackpots.

The latest releases have a lot of interesting features with a proven positive effect on player's perceptions. This includes Turbo mode, attracting the player with a chance of explosive wins, a play at different unusual number of lines (50, 243, 1024), cascading symbols, whole screen filled with the same symbol, Expanded Wilds, and Free games mode with additional multipliers.

Encouraged by the increased demand of their products recently on the Latin market Casino Technology is soon to open their official representative office in Lima, Peru. This will enable the local team of the company to ensure their clients with the best service, including faster attendance, continuous support and products supply, which will be fully applicable to local demands.
