

PRESS RELEASE

Date of release: August 9th, 2007**FOR IMMEDIATE RELEASE****CASINO TECHNOLOGY LAUNCHES A RANGE OF NEW VIDEO SLOT PRODUCTS ON A PC-BASED PLATFORM**

Recently Casino Technology, the Bulgarian slot manufacturer has focused on broadening the range of new generation games on a PC-based platform codenamed ATLAS. The new platform provides enhanced hi-quality graphics and a higher level of interaction, along with multi-channel stereo sound, exploiting in full the advantages of the hi-end dual-monitor GEMINI cabinet. This combination is especially suited to the needs of high-class locations, aiming to deliver superior comfort and appeal to their clients.

In addition to TRAFFIC and OCEAN DELIGHT video-slots the company has launched more ATLAS based releases, including COLUMBUS TREASURE, AZTEC RETURNS, and WILD WILD AFRICA along with the attractive MEGA POKER, featuring 4 different player selectable poker games. The successful GEMINI collection has been developed from direct analysis of player expectations recognizing the needs of different players. Slot operators attest to the workability of GEMINI range attributed to the great variety of game concepts and mathematics suited all different player types.

The range has been significantly enlarged with 20 new releases in only 4 months, as the company is aiming not only to meet and exceed the needs of any particular client but also to be ready to respond to the specific requirements of new target markets including Latin America, Africa and Asia. Getting the essential technical features such as SAS compatibility, multi-denomination, cashless systems and multi-lingual support Casino Technology video-slots also have one of the greatest varieties of jackpots offered within the industry, which makes them much more attractive to clients. This is complemented by variety of original Jackpot signs, themed to match the game story lines.

The company will be demonstrating new video-slots and complete solutions for slot-equipment and management at a range of exhibitions in September, including Gamexpo in Hungary, Entertainment Arena in Bucharest and Entertainment Industry, Kiev.
