

## BUSH EXPLORER

### Type of product

Video-slot game

Bush Explorer is a medium volatility video slot game with 5 reels and 243 winning lines with an adventure team. The max win is 500 x Bet x Bet multiplier.

### Turbo mode:

The entire game is played in TURBO mode. It can be played on 1, 2, 3, 4 or 5 reels. The player can select one of these options, paying 1, 5, 10, 20 or 30 credits for the selected reels. The player may increase the win by selecting Bet multiplier, in the same way as he does it by increasing the number of winning lines in the normal game. All the wins are multiplied by this multiplier.

The TURBO WINS are paid if 3, 4 or 5 the same symbol or wilds appear on 3, 4 or 5 adjacent reels, starting from the left most reel. If there are 2 or more of the same symbol or wilds, featuring in a winning combination, on any one reel, the winning combination will be paid for each. Only the highest combination for every symbol is paid.

### Main games:

- **Wild symbol** 'Boomerang' appears on 2<sup>nd</sup> and 4<sup>th</sup> reels and substitutes for all other symbols except the scatter
- **Jackpot symbol** 'Man' – 5 Men on active line pay max win or jackpot at max bet and credit denomination
- **Max win screen** – the screen may fill with jackpot symbols with max possible win 243 x 500 x Bet x Bet Multiplier
- **Scatter symbol** 'Free Games' – 3 scatters on the screen trigger 5 free games.

### Free games:

- One of the reels in each of the game is filled with Wilds. If 3 scatters appear again during the free games mode, the player plays off the current set, and after that new 5 free games will restart, with one reel filled with Wilds in each of them.
