

COFFEE MAGIC

Type of product

Video-slot game

Coffee Magic is a 5-reel, 9, 15 or 21-line video-slot. The Max Win is 10,000 x bet per line. During the main games the player get different money prices according to the pay table. The game has an additional free games feature.

Free games mode: If a combination of **3, 4 or 5** scatters 'Coffee Bean' appears on the screen it gives 10 free games to the player. Additional 10 free games can be won during the Free Games mode. Before the free spins start, the player has to choose one of 3 symbols – 'Coffee pot', 'Coffee cup' or 'Coffee biscuits' – as an additional wild symbol, Expanded Wild, which will substitute for all the other symbols on the reel, except the scatter "Coffee bean". Every scatter appeared on the screen during the free games, pays additional win equal to the Total bet.
