### Type of product

Video-slot game

This is a medium-volatility video slot game with 5 reels and 50 winning lines with an adventure team. The max win is 1000 x bet per line. The game has free games mode and features attractive winning combinations, which make very attractive for the players.

### **Main games:**

- **Wild symbol** 'Diamond' - appears on 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> reel and substitutes for all other symbols except the scatter
- **Jackpot symbol** 'Man' – 5 x on active line pays max win or jackpot
- **Max win screen** – the screen may fill with jackpot symbols with max possible win of 40000 x Bet per line
- **Special feature – cascade symbols:** When the win from the current game is paid, all the symbols featured in the winning combination disappear, the upper symbols on the reels cascade down in their place, and the free space is substituted by new symbols. If there is a new winning combination after this cascade, it is paid and the winning symbols are replaced once again in the same way; that repeats until there's no more winning combinations of the screen. The replacement of symbols is free.

### **Free games:**

- **Scatter symbol** 'Kilimanjaro' – 3 scatters on 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> reels triggers 15 free games. Another 15 free games can be won during this mode.
