

QUEEN OF NUBIA

Type of product

Video-slot game

This is a high-volatility video slot game with 5 reels and 21 winning lines with an ancient history theme. The max win is 10 000 x bet per line. The game concept combines additional bonus feature with free games mode.

Main games:

- Wild and Jackpot symbol 'Queen of Nubia' – appears on all reels and substitutes for all other symbols except the scatter. 5 x pays max win, or jackpot at maximal bet and credit denomination
- Scatter symbol 'Rex Cat' – 3, 4 or 5 scatters at any positions on the screen pay scatter wins and trigger Bonus feature with Free Games mode.

Main Games Screen

Bonus feature:

The player enters the bonus with 8 free games and the initial win multiplier is x 1. During the bonus he can win more free games and bigger multiplier by opening one by one 20 plates with the following symbols:

+ 1 Free game – increases number of Free Games by one

+ 1 Multiplier – increases win multiplier by one

The Queen – opens all plates at once. The player gets the maximum possible number of Free Games (21) and the largest possible win multiplier (x5) and starts the Free Games.

Collect – ends the bonus screen and the Free Games mode starts with the current number of Free Games and current win multiplier

Free games:

When the player opens Collect or The Queen symbol in the bonus screen, he enters the Free Games mode with the number of free games and win multiplier won during the bonus. If during the free games 3, 4 or 5 scatters appears on the screen, the player gets the same number of additional free games as he has won in the bonus feature with the same win multiplier. The player can win up to 5 restarts of the free games.
